

Commonly used South African Missions abroad

This list was created by a Human, humans make mistakes. Please alert us if you find problems but please do not blame us if any info is wrong. Ultimately it remains the applicant's responsibility to ensure he/ she is compliant.

All the information is based on Embassy websites, Facebook pages and information received from some of the Embassies. The current Covid situation in the specific countries also can change without notice and that could impact the times that the embassy operates and how they deal with the public with regards to making appointments, walk-in or posting application.
